

FOR IMMEDIATE RELEASE

Data Dimensions Announces Acquisition of Ogilby Transfer & Storage

Data Dimensions Enhances Ogilby's Leadership in Records Management to Fully Support Clients' Growing Content, Records, and Compliance Management Needs

JANESVILLE, Wisconsin, October 19, 2009 – [Data Dimensions](http://www.datadimensions.com), a recognized leader in business process optimization and [records management services](#), announced today the acquisition of Ogilby Transfer & Storage, a privately-held storage facility located in Rockford, Illinois. The transfer includes over 24,000 boxes and 47 clients to [Janesville's Records Management Center](#).

"Effectively managing and protecting critical information is a significant challenge for any organization," said Mark Hollis, manager of Data Dimensions' Records Management Center. "With this acquisition, Data Dimensions is pleased to provide clients with an increased opportunity for a complete document management solution."

"We are delighted to add Ogilby to Data Dimensions," added President and CEO, Jon Boumstein. "We will continue to execute our growth strategy toward becoming the largest privately-held business process optimization (BPO) organization in the United States," Mr. Boumstein said.
