

FOR IMMEDIATE RELEASE

Data Dimensions Announces Promotion of Jon Boumstein to CEO

JANESVILLE, WI--(Marketwire - February 05, 2009) - [Data Dimensions](http://www.datadimensions.com), a leader in providing [business process outsourcing services](#), announced today the promotion of [Jon Boumstein](#), the Company's President, to the additional role of Chief Executive Officer (CEO). Reporting to Mark Bush, Chairman, Boumstein is responsible for continuing the innovation and long-term success of Data Dimensions.

Mark Bush, Data Dimensions' Chairman stated, "Jon has contributed greatly to the overall success of this 27-year legacy that is Data Dimensions. He brings a wealth of industry experience, energy, and extremely creative out-of-the-box thinking to his new role. I have never had the privilege of working with a more dedicated and talented individual than Jon in my 27-year history at Data Dimensions. I believe that continual innovation and change is an absolutely critical part of keeping an organization vibrant and evolving and I am extremely confident that Jon and his management team will carry on Data Dimensions' legacy of dedication and innovation while taking our company to the next level."

Mr. Boumstein has held many executive roles at Data Dimensions since joining the Company in 1998. Most recently he held the role of President and Chief Operating Officer. During his tenure, Mr. Boumstein has helped oversee Information Technology, Operations, Sales and Marketing, Client Services, and the Company's business model and strategy. A graduate of the University of Nebraska-Lincoln, Mr. Boumstein holds two degrees: Bachelor's of Science in Business Administration and Journalism.

"I am excited to be assuming the CEO position at Data Dimensions after 11 years with the Company," said Boumstein. "Specifically, I believe that our strategy, objectives,

and great leadership team is well-positioned to aggressively grow while building value for our stakeholders. I look forward to building upon our achievements and leading Data Dimensions in this next phase."

About Data Dimensions

For over 25 years, Data Dimensions has been an innovative leader in the area of [business process outsourcing \(BPO\) services](#), providing complete imaging and [storage retrieval services](#), converting paper structured forms (e.g. insurance and medical claim forms, dental bills, loan applications, H.R. forms, surveys, etc.) or unstructured hardcopy documents (e.g. drawings, diagrams, and x-rays) into electronic documents through various forms of document capture services. In addition, Data Dimensions offers hardcopy and electronic storage and retrieval, medical records retrieval services, transcription services, and digital voice recording and retrieval services.

Data Dimensions' solutions are customized and enable clients to streamline processes, reduce or eliminate manual processes, reduce costs, and reduce risk, while enabling them the ability to concentrate on their core competencies.
